

Velda Schirhart

is available for your conference or event.

Rev. Velda Schirhart is the founder of Light and Life Ministries and has dedicated her life to teaching God's Word and ministering to the lost, sick, and hurting.

She began her career as a medical social worker and later became a Registered Nurse, serving in various specialties and leadership roles. Her nursing career shifted when God called her into ministry full-time.

For over 25 years, Velda faithfully served her home church in various roles—including Associate Pastor, Director of Healing Ministries, and leader of both the Healing Center and Healing Team Ministry. Her vision to connect churches and healing ministries led to the creation of The Healing Network, where she trained others to minister healing through God's Word. Velda also co-authored *Comprehensive Principles of Healing and Miracles*, the foundational text for the Healing Course at Christ for the Nations International. Her latest book, *I Am Redeemed! God's Divine Plan for Redemption from Sickness*, has helped many discover that they don't have to live in pain or disease.

Velda is a bold, anointed teacher known for her humor, real-life stories, and strong biblical insight. Signs, wonders, and miracles have followed her ministry—including the resurrection of her mother three times. Her mission is to help people embrace the full truth of Scripture and experience transformation through God's Word.

Velda's ministry has reached audiences across the U.S. and internationally through churches, conferences, television, and social media. Her mission is to break through religious traditions and help people embrace the full truth of Scripture.

Light and Life Ministries was founded on two guiding scriptures:

- "The entrance of Your words gives light..." (Psalm 119:130 NKJV)
- "Fill your thoughts with my words... they will impart true life and radiant health..." (Proverbs 4:20-22 TPT)

Through this ministry, Velda is committed to fulfilling Jesus' command to "go into all the world and preach openly the wonderful news of the gospel to the entire human race!" (Mark 16:15 TPT).

Velda is happily married, with three children and five beloved "grand-darlings." She's grateful for her family's support as she continues to travel, teach, and minister wherever God leads her.
